

Thought I would be early, but no excuses, so here's an update for the last 6 months! Time sure flew by! First of all, grateful to all who have been supporting me & 3G-Hosanna Ministries Inc. (3G-HMI) here in the Philippines all these years, to help share Jesus, that HE brings salvation & hope to the many who don't know HIM yet! As some of you know, during pandemic while stuck in Hawaii :], I trained with Four Square Missions International (FMI), & now officially an Affiliate worker with them, but still working mainly with 3G-HMI. Helping where I can, like driving, shopping for needs, transporting people to & from the ministry center; trying to learn more Tagalog; praying lots; & this past July started with Sports Ministry, (right up my alley)!

➡ June: Had a long over-due visit with some of my Filipino Alegre Family!

Eating & talking about family life!

> Then went to Iloilo with a Dental mission team from Hawaii & the Philippines serving more than 150 people during the 100<sup>th</sup> anniversary of the Catholic Convent there.

> Next, helped with a mini, "Doing Church as a Team" with Pastors Donovan & Matt from New Hope Oahu, sharing at Pstr. Roses, New Hope Gumamela Fellowship in Iloilo City!

➡ July: Flew to Hawaii just in time for my niece's wedding! A nice family reunion time!

Also got to catch up with others & met with the previous Medical

Mission team to discuss their return in mid-March 2026.

Met with Darin Nasis, a family friend also working in the Philippines with Calvary Chapel Pearl Harbor (who just happened to be in Hawaii briefly) & we discussed the basketball Mission team "REACH", possibly coming again (after 6 yrs) to do a Basketball & Arts & Crafts Clinic for our kids. Lord made it all happen>>> in September!!!

➡ August/Sept: There was still work to finish on the Multi-purpose Worship Hall &, especially with delays due to Typhoons bringing floods & more destruction. Workers kept on & Ate Alice had the basketball boys painting the court lines! God is good & the Hall only has minimal additions to be done. So it was good

timing to start having a Basketball team! At the last minute we entered a 3x3 Tournament in Lucena, put on by National Hoops, a Christian Org., right before the REACH mission arrived, then got more training!

➡ October/November: Renovations & Clean up continue & thank God that the Multi-purpose Worship Hall office & storage space is done, so has been a safe haven for us as well as some neighbors during the storms!

We started preparing for a Mission Team of six Pastors/Leaders from different Four-Square Churches in Hawaii who will come to teach & encourage, mainly the 3G-HMI staff & volunteers with deeper knowledge about the Lord, since these oversee the Compassion Kids & have adult Bible Studies within the communities. The men, teens & young adults will also be ministered to on different days. We are looking forward to their visit in a couple of weeks already!

➡ December: Simbang Gabi > 7 nights of Praise, Worship & the Word, preparing hearts for Jesus' Birthday! Had a full house nightly with different speakers & topics! Then, a full, 4-day Youth Camp with messages, group presentations & games.....which just finished! Praying many will apply what was taught & really let Jesus be Lord of their lives!!!

Thank you to all who have blessed us with your prayers, donations of sports equipment, clothes, so many other items, & finances (especially for the Multi-Purpose Worship Hall)! We are truly Grateful! Please keep praying Lord give us all the wisdom needed in leading all these He has put in our hands, that it be a real, NEW Year 4HIM & HE continue to transform lives!
