

becs LATEST UPDATE! 3.15.2025

Besides the weekly, ongoing events with 3G-HMI's Sunday services now @ three locations; 170 Transforming Little Agents (TLA kids) activities under Compassion Intl.; Prayer Warriors Intercessors Group; Every Community for Christ (ECC) Discipleship program; & our 6 house kids going to public school; God continues to keep us all busy 4HIM, serving those HE has put in our care for HIS kingdom and glory. Never a dull moment!!

We had the privilege of having Pastor Dave Willweber visit again, expounding on the Onipa'a, "Life Long Marriage" curriculum. Eight full days in separate meetings, with Church/Compassion kids ages 12-18, their parents/guardians, and HMI staff and leaders. It was a mind and heart opener for many, some receiving healing and desiring deeper relationships with God, and their families; realizing that change starts with them first! The staff and leaders will now be able to follow up, encouraging these and others to keep on communicating and growing together as a family, with God in the lead!

Now we are excited for the upcoming Medical Mission taking place next week for 5 days. Partnering with the Philippine Island Medical Mission (PIMM) team from Hawai'i, and the local Health and Education Medical Mission Inc. (HEMMI) team; we will service the less fortunate in six Barangays in the surrounding areas of Talaan where 3G-HMI has on going ministries.

Please PRAY with us for: Unity, Order, Salvation, Healing, Favor, Completion of the Worship Hall/Basketball Court/Office & Living Spaces, our Youth Summer Activities this April - May, More Workers, & Provisions for all needed! LMK if you want to help in any way!

The God of Love & Peace be with you!

Becky w/3GI, 3G-HMI & FMI becsurfer@gmail.com
